ABOUT ME

As an aspiring Full Stack Developer, I am excited to embark on a journey towards becoming a skilled and accomplished professional in the field. I am eager to contribute my skills and talents to the industry. As a Full-Stack Developer with a specialization in MERN stack, I am dedicated to delivering dynamic, efficient, and scalable web applications that meet the unique needs of each client. With a focus on innovation, collaboration, and attention to detail, I am confident in my ability to create solutions that exceed expectations and drive business success.

PROJECTS

• Boat Lifestyle Clone

Boat-lifestyle is an e-commerce site especially dealing with Earbuds, Headphones, Earphones & Wireless Speakers.

Features

- Signup and login functionality
